Dear Parents,

We have been really proud of how much progress our children are making in their new classes already. It was also fantastic to see so many parents able to come to our 'Meet the Teacher' sessions that took place this week. We are really pleased with the feedback from parents about these sessions which have helped make a great start to the home-school working relationship which will benefit our children immensely. Please note that the PowerPoints for each session are now on the year group pages on our school website.

Reading Workshop

A love for reading and books is one of our big focuses this year, as you will have heard at the workshops this week. There will be an opportunity for parents to come into school and join the children in a modelled reading and Vipers lesson on Monday 16th October 9.05-9.45 – more information to follow

Coffee & Chat

Next week, Thursday 28th September we will be hosting the first Coffee & Chat session for this academic year. We are delighted that Pete Brindley from the Beacon Family Services will be joining us again to offer more incites to how we can develop our children resilience and get to understand anxieties they may have. We really hope that you are able to come. We will be welcoming parents in from 8:45am.

Twitter

Twitter is a wonderful platform for us to share news, photos and achievements with you. In order to ensure that we use Twitter as safely as possible, we vet all 'follower requests' and only allow trusted individuals or organisations to follow us. We currently have a few outstanding follower requests which we haven't confirmed because the Twitter handle doesn't tell us who the person is/which child they relate to. If you have requested to follow us and we haven't confirmed, please drop an email to enquiry@stjosutton.net telling us what your Twitter handle is. The school's twitter handle is @StJosephsCP

First aid skills for local primary school children – Midcounties Co-operative Fundraising Campaign

We are delighted to share the news that St Joseph's Catholic Primary School has been nominated by the Co-Op store on Rectory Road to be the beneficiary of fundraising which will be used to purchase a suite of educational first aid materials specifically for the children at your school.

Midcounties Coop works in partnership with Community Heartbeat Trust (CHT) to facilitate and manage over 40 defibrillators across our trading estate and through this partnership an exciting opportunity has arisen to enable our colleagues, customers and members to fundraise to support the delivery of First Aid teaching resources in primary education; the campaign will run from September 2023 through to May 2024, with the educational materials being donated to the school in June 2024. You can visit the Midcounties Coop webpage to find our more about our partnership with Community Heartbeat Trust here Please support this fundraising campaign if you can.

Yesterday, the Church celebrated the feast day of St Matthew the Evangelist.

St Matthew is also one our House Point Patrons- (Happy Feast day Greens)

Through the intercession of St Matthew, the Evangelist, may we always put aside worldly distractions and follow You, O Lord, as quietly as St Matthew left his work and immediately became one of Your disciples.

By his example and prayers help us to follow You without counting the cost and remain faithful in Your service.

Amen
