

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised July 2022

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

 $Please visit \underline{gov.uk} for the revised Df Eguidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. Df Een courages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium. \\$

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2022. To see an example of how to complete the table please click <u>HERE</u>.

Created by:

Details with regard to funding Please complete the table below.

Total amount carried over from 2019/20	£ 7442
Total amount allocated for 2020/21	£24,902 (inc. 19/20 carry forward)
How much (if any) do you intend to carry over from this total fund into 2021/22?	£11,208
Total amount allocated for 2021/22	£17,460
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£31 154

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	77% not many children had accessed swimming provision due to the Pandemic
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	77%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	23%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ <mark>No</mark>

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 202/22	Total fund allocated: Date Updated:			
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 7.8%
Intent	Implementation Impact			
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieveare linked to your intentions:	Funding allocated:	Evidence of impact: what dopupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Increase the number of pupils who are regularly exercising for 30 minutes per day. This is in addition to PE and Games lessons.	Continuation of a sport coach during the lunchtime period to provide a further opportunity for pupils to take part in physical activity.	£1200 Subscription for the Wilson Stuart Sports hub @£1238	We aim for increased numbers of pupils engaging in regular physical activity. 100% of children have worked with sports coaches over the year at lunchtimes.	To train some of the Lunchtime supervisors to become play leaders to enable more children every day to have access to sports activity. Year 6 children to be trained up as Fitness Leaders to lead 30 minute sessions with younger children promoting the benefits of physical health. CPD training to be sought through the Wilson Stuart Sports hub Subscription
Key indicator 2: The profile of PESSPA	A being raised across the school a	s a tool for whole	school improvement	Percentage of total allocation:
				66%
Intent	Implementat	ion	Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieveare linked to your intentions:	Funding allocated:	Evidence of impact: what dopupils now know and what can they now do? Key indicator 3: Increased confidence	, knowledge and skills of all staff in t	eaching PE and s	port	Percentage of total allocation:
				9.9%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Staff have the knowledge and skills to ensure PE lessons engage and excite pupils and pupils are keen to continue with sport outside of the school environment. Teaching of PE is never at least good Contributions made by sports coaches is never less than good Good resources available to support P.E lessons.	Regular discussions with staff to discover their strengths and weaknesses when delivering P.E. Discuss staff confidence, knowledge and skills. Where required, CPD to support with the teaching of particular aspects of the PE and Sport curriculum e.g. gymnastics and dance Training for lunchtime staff on developing games on the school playground. New resources ordered to support outstanding P.E lessons.	£1051.20	Staff have taken notes with ideas from the sports coaches to use and adapt in their own lessons. Staff have given feedback on the impact of the sessions through questionnaires. This indicates increased confidence in a range of PE areas as staff have picked up ideas for teaching certain areas. 71% of children have worked with a Sports Coach during P.E lessons. As staff confidence has improved, children have benefited from higher quality teaching in PE lessons.	Continue with CPD next year so that staff can gain expertise in different area- through the sports hub. Staff can also discuss good practice with each other and help offer to each other. New staff to the school and ECTs to receive extra CPD depending on their confidence and needs. Continue training of lunchtime staff (see KI1).
ressons.	Annual H&S check and repair to equipment via Mercury sports	£218	Better resources have engaged and motivated children's participation.	
Key indicator 4: Broader experience of	f a range of sports and activities offe	ered to all pupils	•	Percentage of total allocation:
				10.9%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

Additional achievements:	2020/21 the following sporting opportunities to be implemented:	£884	Children have developed their physical skills within new topics.	Equipment that has been brought is of good quality and will last
Certain Year Groups provided with the opportunity to participate in a range of sports/activities (outside regular PE curriculum)	Football, Tennis, Basketball, Gym and Netball. Use specialist sports coach to support this. New equipment ordered to engage pupils. Provision of opportunities to attend sports led Summer Camp and October Half Term camps led by Microsports	£2261.94	They have also developed their ability to work as a team. After school clubs have promoted engagement from pupils. Children have developed a sense of belonging and wanting to take their new interest further, by joining up to a Netball Club.	for a number of years. Following on CPD, Staff will work together and share good practice which will lead to better confidence all round and more staff keen to get involved thus ensuring the extra activities will not only continue but there will also be an expansion. Offer a range of after school clubs for children in Key Stage 1 and 2. Tennis, Football and Netball have proven popular so we will continue with these. We aim to consolidate and increase the number of participants across the school where possible in both curriculum time and extracurricular activities
Key indicator 5: Increased participation	on in competitive sport			Percentage of total allocation: 5.4%
Intent	Implementation		Impact	3.470
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do?
